

Barneveld Lutheran Church Foundation

**505 Swiss Lane
Barneveld, WI 53507**

The Barneveld Lutheran Church Foundation exists to support the mission of Barneveld Lutheran Church. The Foundation trustees meet quarterly and will look at written proposals at Foundation meetings. We are limited to being able to disburse 5% of our asset value each year. The Foundation is relatively new and has only a limited amount of financial support to offer.

To be considered for financial support, we ask that you fill out a Request for Funding form (on back) and return to the church office at least 30 days before you need an answer. The Foundation also asks that we fund no more than half of the total amount of the project.

Thank you!
